

MARKETING SUPPORT & AGENCY OVERFLOW

Need an experienced creative professional to jump in and keep projects moving? I provide flexible freelance marketing support for agencies, consultants, and businesses that need reliable help managing creative projects, producing marketing assets, and meeting deadlines without the commitment of hiring additional full-time staff.

CREATIVE PROJECT SUPPORT

From individual design requests to larger marketing initiatives, I help manage creative workloads by producing graphics, presentations, marketing materials, and other customer-facing assets while keeping projects organized and on schedule.

CAMPAIGN COORDINATION & MARKETING ASSISTANCE

Support your marketing efforts with help coordinating campaigns, organizing marketing calendars, preparing email and social media content, updating websites, and ensuring projects move smoothly from concept to completion.

CONTENT & DIGITAL ASSET MANAGEMENT

Keep your marketing organized with assistance managing digital assets, organizing files, preparing images for web and print, updating existing content, and maintaining a well-structured library of creative resources.

WHITE-LABEL CREATIVE SERVICES

Need extra help behind the scenes? I provide professional white-label support for agencies and consultants, delivering high-quality creative work that integrates seamlessly with your team and brand while remaining completely behind the scenes.

ONGOING TEAM SUPPORT

Whether you need help for a few hours, a busy season, or ongoing monthly support, I can serve as an extension of your team by assisting with project tracking, client-ready deliverables, research, administrative marketing tasks, and day-to-day creative needs.

Pricing starts at \$45/hour, with monthly support packages beginning at \$500. Every business has different needs, and I'm happy to provide a free, personalized quote based on your goals and project scope.
