

With more than 20 years of photography experience, I provide professional editing and retouching services for photographers, brands, and businesses that need polished, consistent images while preserving their unique style and vision.

PROFESSIONAL PHOTO EDITING & RETOUCHING

PHOTOS BY KELLY

PORTRAIT RETOUCHING

From subtle enhancements to polished final portraits, I provide natural-looking skin retouching, blemish removal, stray hair cleanup, teeth whitening, eye enhancements, clothing adjustments, and other refinements that maintain an authentic appearance.

COLOR CORRECTION & IMAGE ENHANCEMENT

Ensure every image looks its best with professional color correction, exposure adjustments, white balance correction, contrast enhancements, cropping, straightening, and overall image consistency across individual photos or entire galleries.

BACKGROUND CLEANUP & ADVANCED PHOTOSHOP EDITING

Remove distractions and create cleaner, more professional images through object removal, background cleanup or replacement, compositing, unwanted element removal, and other advanced Photoshop edits.

GALLERY & PRODUCT IMAGE PREPARATION

Prepare images for delivery with batch editing, gallery consistency, image culling assistance, resizing, file optimization, web and print formatting, and product photo enhancement for ecommerce or marketing use.

OVERFLOW EDITING FOR PHOTOGRAPHERS

Need an extra set of hands during busy seasons? I provide reliable overflow editing support, helping photographers maintain quick turnaround times while delivering polished, client-ready galleries that match their editing style.

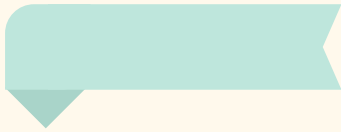

Pricing starts at \$35/hour, with per-image rates available. Every project is unique, and I'm happy to provide a free, no-obligation estimate based on your specific needs.
