

MARKETING MATERIALS & GRAPHIC DESIGN

Professional marketing materials designed to help your business stand out. Whether you need a single promotional piece or a complete collection of branded assets, I create polished, customer-ready designs that communicate your message clearly and consistently across print and digital platforms.

PHOTOS BY KELLY

DIGITAL MARKETING GRAPHICS

Create eye-catching visuals for your online presence, including social media graphics, promotional posts, website banners, email marketing graphics, digital advertisements, and branded online content designed to engage your audience.

PRINT MARKETING MATERIALS

Support your business with professionally designed print materials such as flyers, brochures, postcards, product sheets, catalogs, rack cards, and promotional pieces that reflect your brand and leave a lasting impression.

SALES & PRESENTATION MATERIALS

Present your business with confidence through professionally designed presentations, sales decks, training materials, conference handouts, and customer-facing documents that are clear, engaging, and visually cohesive.

BRANDED TEMPLATES & MARKETING ASSETS

Save time with reusable branded templates for Canva, presentations, social media, marketing materials, and other business documents. I can also update existing collateral to keep your branding fresh and consistent.

CUSTOM DESIGN SOLUTIONS

Every business has unique marketing needs. Whether you're launching a new product, promoting a special event, updating existing materials, or creating something entirely new, I provide customized design solutions tailored to your goals.

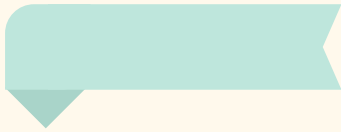

Pricing starts at \$40/hour or \$75 per individual design project, with custom packages available. I'm happy to provide a free, personalized quote based on your project's scope and specific needs.
